INFORMATION DISCLOSURE STATEMENT

Mail Stop PCT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. §1.56 and in accordance with 37 C.F.R. §§1.97-1.98, information relating to the above-identified application is hereby disclosed. Submission of this statement is not to be construed as an admission that any of the documents submitted herewith are "material" to the examination of this application or the patentability of the invention, as the term "material" is defined in 37 C.F.R. §1.56(b), nor

as any admission that the documents submitted herewith even qualify as prior art references with respect to the above-referenced patent application.

In accordance with §1.97(b), since this Information Disclosure Statement is being filed either within three months of the filing date of the above-identified application, within three months of the date of entry into the national stage of the above identified application as set forth in §1.491, or before the mailing date of a first Office Action on the merits of the above-identified application, no additional fee is required.

Copies of United States patent references listed on the attached Form PTO-1449 are not enclosed herewith pursuant to the August 5, 2003 Official Gazette notification waiving the requirement to submit copies under 37 CFR §1.98.

A copy of the International Search Report for PCT/GB2004/005195 with the written opinion and a copy of the International Preliminary Examination Report with the Notification of Transmittal of the International Preliminary Examination Report are enclosed herewith.

Copies of the two European patent references are enclosed herewith.

With regard to the German language European patent reference no. 0665027, application number 94101290.8, the corresponding United States patent, United States patent number 5,792,102, which claims priority from European application no. 94101290.8, is also cited on the enclosed PTO-1449. Accordingly, it is believed that no comments regarding relevance of the German language patent reference is required for the Examiner to be able to consider the reference.
